

THE WORLD OF HATS!

Have you ever felt that you are wearing too many different 'hats'? Well sometimes that can be fun! Come and join us for an exciting week of activities where children will explore the roles and responsibilities that come with wearing a different hat - whether it be magical potions in a magicians hat, building a house in a hard hat, tricks in a clown hat or space missions in an astronaut's hat.

This theme provides ample opportunities for imaginative play and whilst each day will have set themes, the children will also be encouraged to investigate the more unusual, one that only they would think of - a pork pie hat perhaps?!

With a brand new structure, we will be adopting a new Holiday Club format in line with the current nursery timetable, incorporating structured free play, as well as specialist art, music and drama activities.

This new and exciting format will be organised around two themes per day, one in the morning and one in the afternoon. Each session will start with free play packed full of theme related activities with opportunity for children to develop these in their own individual way. This will then move on to more directed, role play centred activities before everyone finally comes together for a fun circle time.

The daily themes are as follows:-

MONDAY:	Cowboys and Crowns
TUESDAY:	Cops and Clowns
WEDNESDAY:	Pirates and Pilots
THURSDAY:	Combat Caps and Boy Racers
FRI DAY:	Chefs, Waitresses and Party Hats
